

Celebrating
the
Individual

Embracing
Differences

Catholic Residential Services is a non-profit agency, under the auspices of the Archdiocese of Cincinnati, whose mission is to help further the spiritual, intellectual, moral, and physical development of those who are identified as being developmentally disabled, by providing them with living arrangements, services, and supports to enable them to achieve a maximum level of independence in the community.

CELEBRATION

Catholic Residential Services is proud of the accomplishments that we have made and would like to take this opportunity to celebrate some of our achievements.

- Connelly Home celebrated its 25th Anniversary with a Mass at St. Therese the Little Flower and an Open House at Connelly. Over 100 old and new friends gathered to celebrate. Connelly Home also received a President's Letter on behalf of the Ohio Senate in support of our work. One of the original client's still lives there after 25 years.
- Catholic Residential Services welcomed for the second year, the Young Neighbors in Action volunteer group. Young Neighbors in Action is a national, service-learning program that provides older youth and adults from Catholic parishes and schools the opportunity to receive an integrated services learning experience. This year a group of 12-13 young people from Michigan and Wisconsin stayed in Cincinnati for a week and helped clean two homes.

- Catholic Residential Services held its Second Annual Training Day. This annual event is a wonderful time for all of our employees to get together to learn new information and get to know each other better.
- Catholic Residential Services is happy to announce that First Aid and CPR training is now completed by our Program Manager, Atina Harris and training related to medication administration is completed by a licensed RN consultant.

Bill Satchell & Volunteers

HISTORY AND SERVICES

Catholic Residential Services was established in 1992 by the Archdiocese of Cincinnati in response to the requests of Catholic families in need of services for their adult children with mental retardation. At that time, two group homes already offering services with Catholic affiliation, the former Villa Maria and Connelly Home, were incorporated under the newly formed Catholic Residential Services. Today, we continue to serve the individuals of those homes and have expanded services to others in need. We have strengthened our commitment to residential services by focusing on smaller living arrangements, increased individualized care, and providing services to those with physical disabilities.

Under the guidance of the Board of Trustees, Catholic Residential Services has more than doubled our staff, the number of individuals serviced, the locations we provide services in, and even office space over the last nine years. Our agency currently assists 38 clients to achieve their life goals in 19 different locations.

Catholic Residential Services continues to balance growth with staying true to our roots - meeting the individual needs of each client through and with faith, spirit, friendship, acceptance, and independence. We will continue to consistently provide services where individuals can reach their fullest measure of personal development while building community within each home, each neighborhood.
